Beautiful bright apartment located near the center of Monaco. The city of Beausoleil, overlooking the Monaco coastline, is completely open to the Mediterranean Sea. This exceptional location offers magnificent views of Cap Ferrat. The apartment is located in a bourgeois building. It is also worth considering that the apartment has a new design renovation, it contains 2 bedrooms, one of them is a nursery with 2 beds, and a living room with a kitchen. One of the important points is that such a compact apartment has 2 bathrooms.
